ISO 9001 : 2008 Certified

✱ **Vision**

It is our endeavor to evolve as a globally competent Technical University and to build a centre of Excellence in Engineering, Technology, Applied Science and Management.

✱ **Mission**

We are committed to achieve sterling standards in Academics, Research and other Social service activities besides being poised to produce outstanding and holistic professionals.

Our Prime Mottoes

- ★ Total Quality Education at affordable cost
- ★ Assuring Healthy and Safety Campus
- ★ 100% Placement Assistance
- ★ Ethics and Value based Education
- ★ Holistic Learning Methodologies

About us

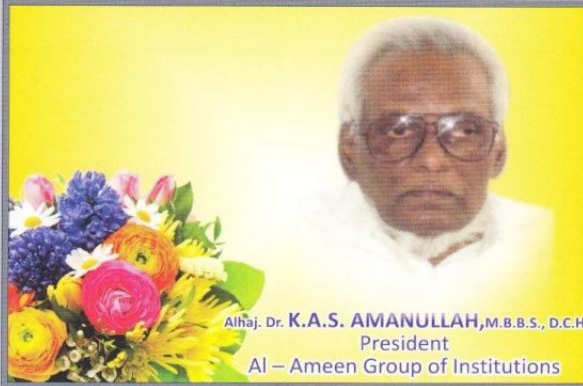

Al – Ameen Educational and Charitable Trust was founded in 1984 by philanthropists from various professionals and industrialists, with an objective of providing quality technical education to all sections of the society in and around Erode. Al – Ameen Educational and Charitable Trust manages Al – Ameen Polytechnic College and Al – Ameen Engineering College.

The Campus has necessary infrastructure and state of the art laboratories to offer world class Educational for Polytechnic and Engineering Students. The unique features of AECT are Total Quality Education with complete discipline. We train our students based on industry requirements with all round personality and innovation.

Al – Ameen Engineering College has consistently produced good results in the Anna University Examinations. Al – Ameen Polytechnic College holds gold medal with 30 years of accreditation.

Promoters Profile

Alhaj. Dr. K.A.S. AMANULLAH, M.B.B.S., D.C.H.
President
AI - Ameen Group of Institutions

Alhaj. A.K. JAFFARULLAH
Secretary & Correspondent
AI - Ameen Group of Institutions

Message

A I - Ameen Institutions were established to infuse Technical Learning in various disciplines amongst the student community. The institutions strive tirelessly to bridge the distinctions among the variety of people by helping the students to recognize their vital place in the global village by providing them real opportunities to become active members within it. Over the past decades, AI-Ameen Institutions have earned reputation all over Tamilnadu. We train our students to become a part of the competitive work force to which we provide them with the edge of cultural awareness and savvy with a strong sense of professional conduct along with the quality academic base that becomes an earnest investment in student's future, academically, personally and professionally.

I wholeheartedly invite you to join us to chisel your knowledge and become the world's best.

Message

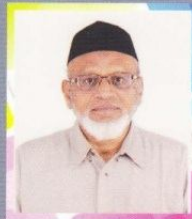

The word AI - Ameen represents "Trustable Person", we do educate our students on core values of life apart from the academics. I am sure our students will serve for the mankind with gratitude, knowledge and trust. Success cannot be achieved overnight. It requires deep penetration, persistence and hard work. We, the management and staff, are collectively putting the best of our efforts to achieve excellence in the field of education.

Students of AI - Ameen will not just be successful in their individual capacities but will in turn, contribute to and nurture the world they live in. The standards prevalent at AI-Ameen in the field of teaching, learning and experimenting has spurred us in our relentless pursuit for Excellence. To be precise, it has become a way of life for us. I take the pride of inviting you all to our Institutions to have a look at the future leaders we have.

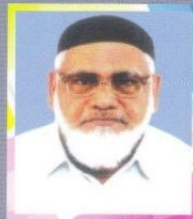

AI-Ameen Educational and Charitable Trust is the right composition of 11 philanthropists. The promoters have rich experience in Administering Educational Institutions with a wide service motive to compete worldwide and to enhance its stakeholders an International Exposure.

AL – AMEEN POLYTECHNIC COLLEGE

Equipped with latest facilities and excellent infrastructures as a lead center, the college, a pioneer institute in the field of Technical Education established in 1984, offers a total of 6 Major Department in Diploma level. It is an AICTE approved institution and it is under the control of Directorate of Technical Education, Chennai and ISO 9001:2008 Certified. The institution has a strong alumni base and its students occupy the most Prestigious positions in many educational, industrial and multi national organizations around the world. We with our education, atmosphere and experience bring out the best in the students in engineering expertise and mastery in management.

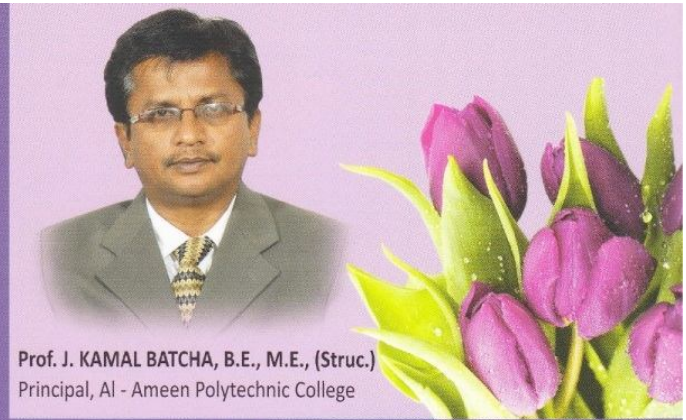

COURSES OFFERED

- Diploma in Civil Engineering
- Diploma in Electronics & Communication Engineering
- Diploma in Mechanical Engineering
- Diploma in Computer Engineering
- Diploma in Electrical & Electronics Engineering
- Diploma in Automobile Engineering

DEPARTMENT OF MECHANICAL ENGINEERING

The Mechanical Department, started in the year 1984 has every laboratory facility to cope up with the new technology and advancement to imbibe thorough practical knowledge enabling the students to face the challenge of the future. The sole success of this department lies in nurturing good discipline and top results right from its inception. The department being the focal point of our institute has been splendid in providing dynamic and quality engineers to the society till date. Cordial ties with various core sector grab all our students for placement with high perks.

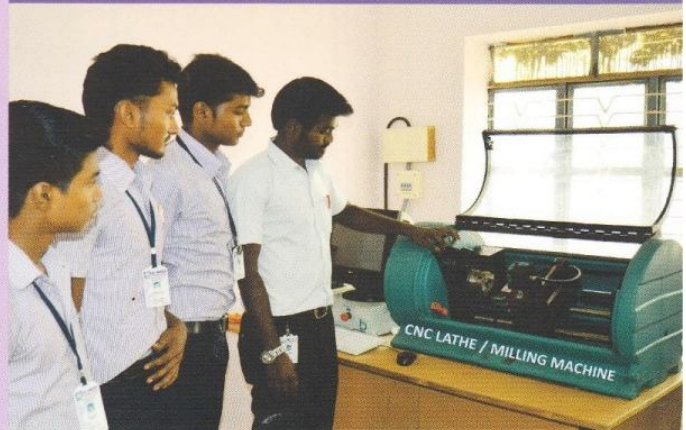

Prof. J. KAMAL BATCHA, B.E., M.E., (Struc.)
Principal, Al - Ameen Polytechnic College

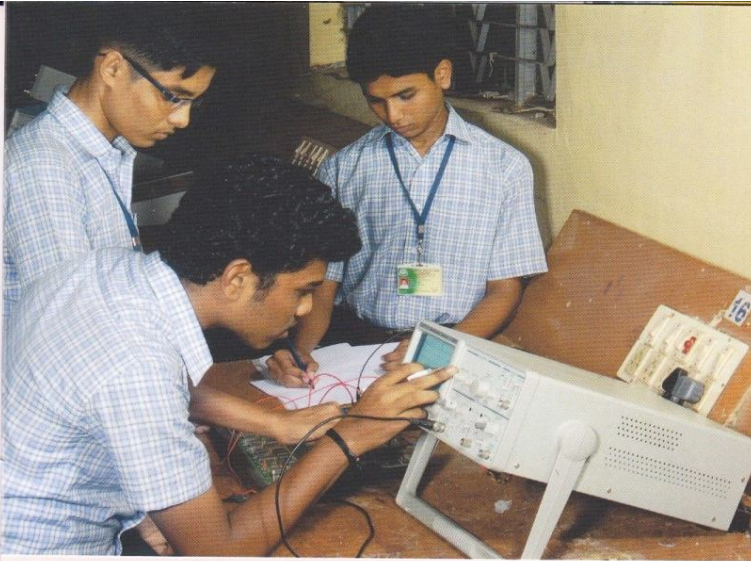

Message

“Learning is a continuous process from the minute we are born, until we die”. Having successfully crossed the various hurdles encountered on the way of its growth. Al – Ameen Polytechnic has grown in stature and strength today, and has become one of the finest educational institutions dedicated to the pursuit of knowledge and excellence. In a world where everything is measured by the yardstick of success, we train our students to think logically, systematically and analytically, so that they have guts in facing the emerging economic, social, political and cultural changes arising from globalization, they may move towards their goals with focused vision. We have made a deep impact in creating goodwill among all sections of society.

DEPARTMENT OF CIVIL ENGINEERING

The Department, Civil Engineering established in the year 1984 with a view to expertise its students not only in technical aspects but also in interpersonal skills, a vital ingredient to excel in the fast – paced world. Department of Civil Engineering in our Polytechnic is best known for its excellent and targeted results, State Ranks and abiding students. To add significant value to the learners a comprehensive student centric leaning approach in an integrated manner thro' Workshops, Seminars and well advanced lab sessions other than curriculum are conducted periodically. Thus it has a prestige of achieving 33 State Ranks in DOTE. To add the pride, our Civil students receive District first and second awards for their Top scores from Civil Engineers Association right from its commencement.

DEPARTMENT OF ELECTRONICS & COMMUNICATION ENGINEERING

The department of ECE being a swiftly advancing field every second was established in 1984 in our prestigious Institutions. There are tremendous and exciting avenues for the students to explore and create. Updated labs to cope with the latest trends are provided to benefit the students and to excel in their studies and to cater the global demands. Good results, effective placements and technical ambience are the successful path of the students.

Our prestigious 57 state ranks at a glance since April 2003

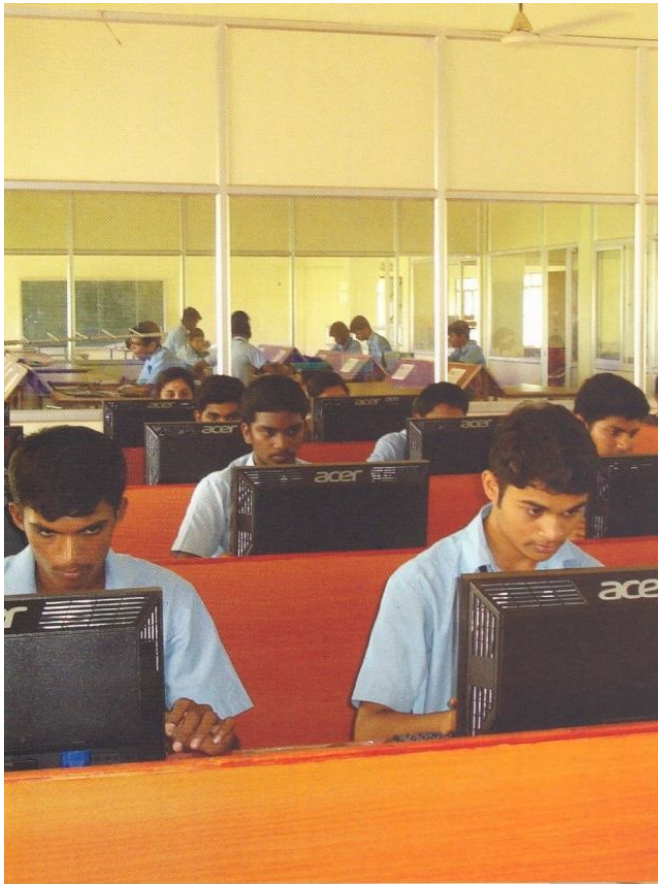

State first	-	7 Times	State Fifth	-	5 Times	State Eighth	-	3 Times
State Second	-	6 Times	State Sixth	-	5 Times	State Ninth	-	7 Times
State Third	-	5 Times	State Seventh	-	7 Times	State Tenth	-	5 Times
State Fourth	-	7 Times						

DEPARTMENT OF ELECTRICAL & ELECTRONICS ENGINEERING

The EEE Department being the natural partner to all other circuit disciplines, having a continuously evolving and base in Engineering subjects was established in 2001 to cater the needs of the fast growing advancements in this field. Students are encouraged to do sample projects and display them in various competitions. The students acquire leadership qualities, interpersonal and communication skills and are shaped by the department to emerge as bound professionals, enabling them to serve the society through latest technologies.

Our students are prestigiously placed in and around the world in various MNC and Top Concerns and are serving in the field of design system analysis, installation and commissioning, process, control and maintenance, quality assurance and testing.

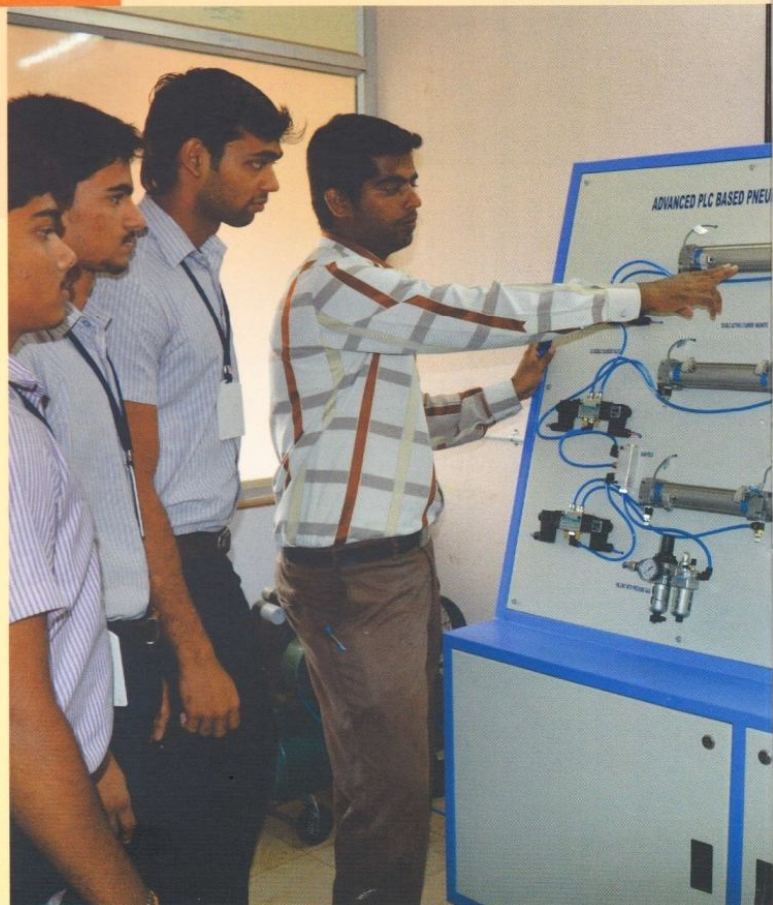

DEPARTMENT OF COMPUTER ENGINEERING

The Computer Engineering Department was established in 1997 at AI – Ameen Polytechnic College to make the rural public, realize the outer world in the Technological advancements. The department offers the best and latest laboratories fully equipped with free access to the students and prepares them with the latest practical oriented theory knowledge. Students are meticulously trained to meet the current needs by continually up grading its laboratory facilities.

Ample placements both in Software and Hardware sectors with reputed companies are provided to the students with high initial emoluments. Students of this department have the pride that they are ever the first choice of their employer.

DEPARTMENT OF AUTOMOBILE ENGINEERING

To expertise our rural students in the sector of Automobile, the Department was established in 2006 to train students in the arena of Automobile Engineering. Our Automobile students always possess competitive result dynamic practical knowledge and have good placements. As our state is the Automobile hub of India. Students are well placed in Ford, Hyundai, BMW and other leads with a colourful salary.

LIBRARY

Library serves as a resource center and aims to develop a comprehensive collection of documents useful for faculty and students of the institute and provides an efficient dissemination of knowledge. The library has acquired a good collection of books and journals in the area of Civil Engineering, Mechanical Engineering, Automobile Engineering, Electrical and Electronics Engineering, Electronics and Communication Engineering, Computer Science and Engineering and related subjects like Physics, Chemistry, Mathematics, English, Management, Training and Placement.

AI – Ameen Engineering College Library has approximately 25000 volumes of books, 150 International and National journals, and subscription for E-Journals. 100% digital library equipped with 4 MBPS Internet connection to access E-journals. E- Publications and NPTEL (MOU signed with NPTEL). NPTEL provides E-learning through online Web and Video courses of professors and Doctors from IIT, IISc in Engineering Science and Humanities streams. The library provides information services such as current awareness service, selective dissemination of information service, reference service, bibliographic service etc.

AI – Ameen Polytechnic College Library is one of the best equipped in terms of number of books, back volumes and current journals subscribed for all the disciplines. The library contributes fulfillment of the AICTE norms of having a good number of 46 National Journals, 16,000 Volumes of books, 4089 titles of books and enormous number of CD's and it is fully computerized and systematized to the students free access. 24 Hours Internet facilities with 3 MPBS Broad Band Connection to update day to day knowledge and rarest collections of books are found in our library. Separate sections for each discipline for easy search and reprographic facility in built, in the library is its hall mark. Our hostellers and day scholars utilize them for participation in seminars, paper presentations and project reviews other than their reference to their syllabus.

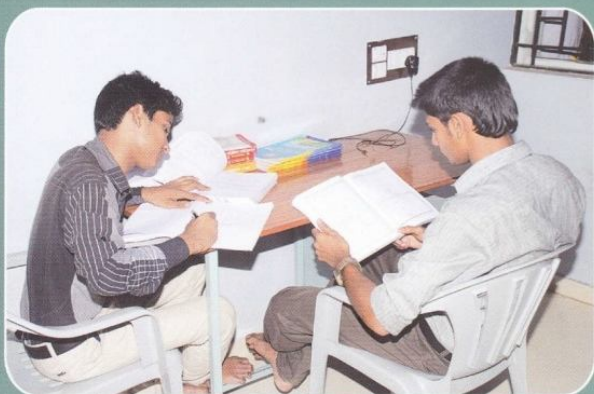

HOSTEL

The hostel rooms are self – contained, with attached dining hall and catering arrangements. The hostel afford bright, well furnished rooms with the basic necessities. Separate hostels are provided for Boys and Girls. Boys hostel is located inside the college campus. Girls hostel is situated ½ kms away from the campus. The hostels are provided with mineral water and 24 x 7 backup electricity with generator facility

AL - AMEEN INSTITUTIONS

SALIENT FEATURES

- The Institutions are located 11 kms from Erode Junction
- Contemporary infrastructure with modern amenities
- Safety Campus with Green Environment
- Highly Competent, Experienced, and Committed Faculties
- State - of - the - Art Central Computing Facility with 10 MBPS VPN & Internet connection
- Well equipped and modern language laboratories
- OHP, LCD and round the clock internet in classrooms
- MoU with leading industries to provide quality training
- 100% placement Assistance with Awareness and Motivation sessions from leading HR's
- Merit Scholarships
- Modern well stacked digital automated libraries
- Separate Boys and Girls hostel in the campus with Mineral water supply
- Mosque inside the campus
- College Bus facility from various locations in and around Erode, Gobi, Bhavani, Vellakoil, Kodumudi, Arachalur, Tirupur, Kokkarayanpettai, Karur and Sathyamanglam etc.,

DEPARTMENT OF TRAINING AND PLACEMENT

Department of training and placement of AI – Ameen Institutions continuously strive to mould their students to excel in Communication, Technical and Personal skills. Each and every student of AI – Ameen will create a history and impression with the opportunity provided. They have been trained to be the fittest of Survival.

Placement : Placement Division is the vehicle on which valued relationships and collaboration between the College and Corporate community are formed – thereby promoting partnerships between business and education. Over the last few years the Colleges have gained reputation for consistent, high quality placement and formed many lasting and fruitful relationships with their clients.

Training : AI – Ameen Campus Placement Cell (ACPC) is dedicated in providing quality training to students to meet the growing demand for trained people and the changing needs of the companies and its clients.

ACPC FUNCTIONS WITH THE MAIN OBJECTIVE OF TRANSFORMING 'EDUCATION TO CAREER'

Quality Assurance : (QA) To ensure quality the placement cell is doing quality check to students and generate reports in every two months. The QA team is having the Key Performance Indicators (KP) and they measure the student's skills and performance accordingly as we strongly believe in Quality everywhere'. The QA coordinators are the people with research background and having experience in corporates.

ACPC aims to fill bridge the gaps between the industry's expectation and the individual's caliber by devising Value Added Programs. Placement Workshops, Soft Skills Training, Personality Development Programs, Mock Interviews etc.

This cell also strives hard to serve the student community by maintaining industry institute relationship so as to identify the industry needs and expectations and to train the students accordingly. In connection to this, we have MOU signed with BSNL, IBM, SMART Training Resources and campus agreement signed with Microsoft.

One – to – one career searching and Career development counseling is available to all the students from ACPC that acts enthusiastically and flexibly to improve the knowledge and skills of the students in order to make them fit for placement.
